

Catering

Using Fresh Ingredients

If you are having a company training, wedding, party or other special event, we are here for you! We can offer breakfast, lunch, dinner and full bar service too. We are happy to create a special menu just for your event!

Carry Out

We will package your order in either single serving or family style containers. You can order from our normal menu or speak with Roxanne or Patrick for a menu created just for you.

Delivered

We will package your order in either single serving or family style containers. We can provide silverware, plates and cups as well as utensils for serving. The delivery fee is \$1 per mile.

Table Service

Are you having a special event like a wedding or work conference and want everyone to remain seated and be served? We will provide the food, the wait staff, and can provide bartenders with a full service bar as well.

All catering requires advanced notice and Alcohol will require permitting, please speak with us to learn more.
